TUSHAR KANTI DAS

FRONT-END DEVELOPER

About Me

I am a diligent and ambitious student currently pursuing a Bachelor of Technology (B.Tech) degree in Netaji Subhash Engineering College, Kolkata. With a keen interest in web development, I am committed to honing my skills and expertise in the field of frontend development. I possess a strong foundation in HTML, CSS, and JavaScript, and aspires to establish myself as a proficient web developer in the tech industry.
